Wow! Read it quickly and seems like it covers all the points we raised and then some! Note the denial of the permeable reactive barrier, among other things, reminds AVX that EPA's dredging along the shoreline must be considered when AVX evaluates alternatives and that AVX must demonstrate it has controlled the source independent of EPA's remedial action.

Dave D., will you forward this to Steve Wolfe?

Subject: MassDEP's Written Determination Regarding Phase III Remedial Action Plan - former Aerovox property, RTN 4-0000601

Good afternoon,

Attached is a copy of the Phase III Written Determination letter for the former Aerovox property.

Please feel free to contact me with any questions.

Thanks,

Angela Gallagher
